PLACE ACQUIRED

REFERENCES

1. A sketch of the city of Burgas is enclosed on pages 11, 12, 13, 14, 15, and 16. The size of the buildings is approximately in scale and their positions are relative.

1. Entrance to an underground construction. Since 1950, one-fourth acre has been enclosed by walls. Unauthorized persons are not allowed in the area. It is rumored that there are perpendicular shafts entered by elevators. There are other similar construction sites in Burgas (listed below), but informant does not know the function of these places.
2. Militia station.
3. Pharmacy.
4. Sveti Ivan Rilski Church.
5. Technical repair shop and storehouse of the Militia administration.
6. "Kableskovo" bar and restaurant.
7. Outdoor repair depot.
8. "Lyuben Karavelov" progimnaziya.
9. Coeducational gimnaziya.
10. Soviet soldiers' monument.¹
11. "Varshava" restaurant.

- S. Road to the "Glaurus" salt pits.
- T. Residential area.
- U. Yuri Venelin Street.
- V. Oborishte Street.²⁷
- W. Republikanska Street.³
- X. Tolbukhin Boulevard.³
- Y. Stara Planina Street.
- Z. P.R. Slaveykov Street.
- AA. Odrin Street.
- BB. Malko Turnovo Street
- CC. Drin Street.
- DD. Nishava Street.
- EE. Tekhniceska Street.
- FF. Sveti Kiril i Metodi Street.

- 25X1 2. [] concurs on the street names which are underlined on the map. North-south streets are numbered beginning from the harbor area. Numbering of east-west streets which are south of Vozrazhidane Circle is done from Aleksandrovska Street; numbering of east-west streets north of Vozrazhidane Circle is done from P.R. Slaveykov Street. [] does not know how identical numbers on through streets are differentiated. Streets east of Tolbukhin Boulevard are numbered beginning at Tolbukhin Boulevard and the numbers have an "A" appended.
- 25X1 3. The Kumluklu Quarter is divided into two sections. The one closest to the city is known as Piyasatsi, and the other is known as Akatsi. [] believes that the Georgi Dimitrov Factory is in the Piyasatsi sector, but does not know its boundaries. 25X1
4. The following figures are keyed to the inset of the map which shows the relative locations of various installations. The inset is not drawn to scale.
- 1. "Gocho Ivanov" Parquet and Barrel Factory.³
 - 2. "Pobeda" (formerly "Avram Chaloyvski") Biscuit and Candy Factory.³ Consists of four or five "large" buildings. Produces biscuits, Turkish delight, and assorted candies.
 - 3. Unidentified antiaircraft unit barracks.³
 - 4. "Luv" Rubber Factory.³ Produces rubbers and rubber boots.
 - 5. "Kabel" Factory (formerly "Vasil Kolarov" Electric Cable Factory).²⁸ Occupies a "large" area and has a 2-story factory building. Produces electric wire for interior and exterior use, electrical cords, high tension cables, etc.

CONFIDENTIAL/CONTROL - U.S. OFFICIALS ONLY

CONFIDENTIAL/CONTROL - U.S. OFFICIALS ONLY

-9-

25X1

6. Furniture factory.³
7. "Marshal Tolbukhin" Soap and Oxygen Factory (formerly "Kambana").³ Consists of five buildings of various sizes. The main building is square and has three stories. The factory produces washing soap, toilet soap, shaving cream, and compressed oxygen.
8. "Spartak" Machine Factory. Produces steam boilers, water pumps, and similar items.

Comments:

1. These locations coincide approximately with those given in Enclosure (1) to [redacted] 1952. (This report is also identified as [redacted])
2. [redacted] indicate that this school is located one block south.
3. These locations coincide approximately with those for the same installation given in [redacted]
4. These locations coincide with those given in [redacted] 25X1
5. [redacted] indicates that a Soviet shop covers this location.
6. [redacted] indicates that this is located farther to the north.
7. [redacted] indicates that this is a home for civilian and military engineers.
8. [redacted] identifies this as a professional school.
9. [redacted] indicates that a church is at this location.
10. [redacted] states that the People's Bank is located at this site in buildings on both sides of the street. [redacted] indicates that a church is on this site. 25X1
11. This should be located one block to the west according to [redacted] 25X1
12. This should be located one block to the east according to [redacted]
13. This should be located two blocks west according to [redacted] 25X1
14. [redacted] indicates that this is a State Security horse-mounted unit station.
15. According to [redacted] this installation is a military shop.
16. According to [redacted] the highway administration offices are located at this site.
17. Cf. [redacted]
18. [redacted] show this as the general headquarters for Naval forces.
19. [redacted] indicates that a Soviet store is on this site.
